Egon (Dez) Dezihan – Board of Directors (Incumbent)

With 37 years' experience serving in many public service positions within the local, state and federal levels, I have worked with and interacted with many sectors of our community, to include the financial sector. That experience allows me to quickly evaluate situations, gather additional information, and then make appropriate decisions. I hold an undergraduate degree in Business and Marketing and a Master of Public Administration degree. My training and experience will assist the Prime Source Credit Union Board of Directors to formulate effective, defensible policies/procedures, and continue to grow as a financial institution that provides the best service for our membership.

Steve Doolittle – Board of Directors

I have been a TELCO/PSCU member since 1970 when I started my career with PNB. My business experience has been primarily in Human Resources. I have served three terms on the Board in the past, and now that I'm retired, I would like to bring that experience back to the Board again. I was involved in the decisions to change our name and open the Nevada branch. I am sure there are more challenges ahead and I believe I have a unique background and commitment to PSCU to assist in the future.

Brian Soth – Board of Directors

Brian graduated summa cum laude in economics from Oregon State University, and worked at electric utility Portland General Electric in various technical and management roles until 2002, when he and his family moved to Spokane. He was Director of Market Intelligence at Itron, Inc. until his retirement in July, 2017. Brian and his wife Becky live in Colbert, Washington, and have two grown children. Brian sings with the Spokane Symphony Chorale as well as several other choral groups in Spokane. He is a member of Spokane Flyfishers and is a U.S. Army veteran.

Homer Todd – Board of Directors (Incumbent)

It has been my pleasure to serve on the Board here at PrimeSource Credit Union. I have served on several non-profit Boards over the years. Currently I serve on the Board of Salem Arms Community Housing Association and Goodwill Industries of the Inland Northwest and am a member of the Mediation Committee for the Spokane Medical Society.

Linda Queen – Supervisory Committee (Incumbent)

What an honor to serve the fine members of PrimeSource Credit Union! My working history included 11 years at Premera Blue Cross, 18 years at ISC Systems and 18 years at Northwest Museum of Arts & Culture, mostly as an Executive Secretary. Common sense, communication, respect and dedication to PrimeSource's mission, staff and customers would be my contributions to this position. I am dependable and loyal and can be counted on to attend meetings, and perform the duties expected. PrimeSource has been my only "bank" since 1984 and it would be my privilege to volunteer my service to PrimeSource if elected.
