### Rita Heldenbrand – Board of Directors (Incumbent)

I have been executive director of the Spokane Regional Plan Center for 30 years, previously spending 12 years in the high-tech industry (Itron and Itronix). During my career I have volunteered on various boards and committees, including 8 years on the PrimeSource board (during the name change and construction of the Nevada branch).

As a 45-year member of PrimeSource, I know the value of the credit union and strongly believe in their mission of “not for profit, but for people”. I would be honored to again serve on the board, bringing my professional and volunteer knowledge to support an organization in which I so heartily believe.

I was born and raised in Spokane and have been a member since my parents opened an account for me as a child (about 45 years). I'm currently an administrator for Spokane Public Schools. I received my BA, Masters, and Principals Certifications from Eastern Washington University. I'm married and have three children, (who all have accounts at PSCU). It has been an honor serving the members of PSCU for the past eighteen years on the Board of Directors. I have contributed my skills in problem solving, team building, customer service and sound budgetary practices. I look forward to continuing my service to the members of PSCU.

### Sue Gordon – Supervisory Committee (Incumbent)

Hello again. Thank you for electing me to be on the Supervisory Committee. As many of you know, I worked at Sears from 1968 to 2005, which was my only job. I was on the Spokane Sears FCU board for many years. For fun I still go walking and stay busy driving my 1966 Ford Mustang. I enjoy going to Gonzaga basketball games, donating crocheted Prayer Shawls to Hospice House and making lots of fun items too. It keeps me busy.
