The 2021 Election results will be announced at the Annual Meeting on Wednesday, March 24th. You are encouraged to attend to meet your Board and Supervisory Committee members. For more information call 509-838-6157.

#### **Sherman Franklin – Board of Directors**

I've been a member since before I was a teen. I have helped with or ran 4 different nonprofits and held the checkbook for 3 of them. I have lived in the Mead area for 60 years, attended Mead School District, and went to Longview Community College for Mechanical Engineering. Later I attended SCC for Mechanical Engineering and received an AAS Degree. I also received a degree in Gunsmithing at Colorado School of Trades. I've been married for 43 years, have 4 kids and 14 grandkids. I like to spend my time on volunteer projects and working with nonprofits.

#### **Homer Todd – Board of Directors (Incumbent)**

It has been my pleasure to serve on the Board here at PrimeSource Credit Union. I have served on several non-profit Boards over the years. Currently I serve on the Board of Salem Arms Community Housing Association and Goodwill Industries of the Inland Northwest and am a member of the Mediation Committee for the Spokane Medical Society.

#### **Peter Arthur – Supervisory Committee**

I'm Pete Arthur and wish to be considered for the Supervisory Committee. I have two wonderful daughters and two fabulous grandsons. I lost my beautiful wife, Char, in 2020. Char was a long-time supervisory committee member and I wish to continue her legacy. I am currently an adjunct professor at Whitworth University. I was a long-time teacher and principal in the Mead School District. I am an alum of both Gonzaga University and Whitworth University. I love being with my family. I enjoy art, being outdoors, and performing with my band Stagecoach West.

#### **Terry Holbrook – Supervisory Committee (Incumbent)**

I have been a member of PSCU for many years and care deeply about its future and success. I was born in Grangeville and moved to Yakima at age 11. After finishing high school, I enlisted in the army where I served 3 ½ years during the Vietnam era. After being honorably discharged in 1976, I worked in logging until 1979. I moved to Spokane in 1980 and started working for a Sheetmetal Union shop. I was there for 36 years and spent 6 of those years as a part owner before retiring. I am married with children and grandchildren.
