*There is a \$50.00 fee per loan to skip a payment. The fee must be submitted along with your skip a payment coupon. This fee is considered a finance charge. If you have multiple loans that qualify, you may choose to skip the loan(s) that qualify. Requests must be received at least 5 business days prior to the payment due date. Skipping a payment modifies the loan contract between PrimeSource Credit Union and the Borrower(s). One-month skip pay per qualifying loan. Skipping a payment will extend the term of your loan, or increase the amount of your final payment. Normal payment schedule will resume on the month following the skip. Interest will continue to accrue on your unpaid principal balance during the skip pay period. Must have valid address, phone and email address on file to qualify. Must be a member in good standing, and have no delinquency within the 3 months prior to the skip on any money owed to the credit union. Offer not valid on Real Estate and Manufactured Home secured, COVID-19 Member Assistance Loans, PrimeSource4Cash, Troubled Debt Restructure and workout loans, loans involved in Bankruptcy Proceedings, loans whose payments are managed by a credit counseling company, or loans opened less than 90 days. Offer valid December 1, 2021 and expires December 31, 2021 and is subject to the terms as outlined. Other restrictions may apply. Please contact us to determine if your loan is eligible. NOTE: Taking advantage of a skip pay program may reduce any claim payment made by the provider under any valid GAP policy in effect on your account. Please refer to your GAP insurance contract for further details and how this may affect your right under the policy.
