Conrad Band – Board of Directors (Incumbent)

With over 20 years of experience in Information Technology, including a decade of executive IT leadership, Cyber Security, and consulting roles, Conrad has a proven track record of successfully leading teams through change, growth, and development while simultaneously aligning technology and business needs. He has a broad range of leadership, functional knowledge, and technical experience across the key pillars of Information Technology in healthcare, financial, government, and manufacturing industries.

As a nearly 30-year resident, Conrad has deep roots in Spokane. Having attended East Valley and Eastern Washington University with a bachelor's degree in Computer Information Systems and an emphasis in Cyber Security.

Rita Heldenbrand – Board of Directors

I have been executive director of the Spokane Regional Plan Center for 27 years, previously spending 12 years in the high-tech industry (Itron and Itronix). During my career I have volunteered on various boards and committees, including 8 years on the PrimeSource board (during the name change and construction of the Nevada branch).

As a 42-year member of PrimeSource, I know the value of the credit union and strongly believe in their mission of "not for profit, but for people". I would be honored to again serve on the board, bringing my professional and volunteer knowledge to support and organization in which I so heartily believe.

Terry Holbrook – Board of Directors

I have been a member for over 40 years and have a strong loyalty to the credit union as it has had for me. I am honest, reliable, transparent and have a desire to see the credit union continue to grow in our community. I currently serve on the credit union supervisory committee as secretary. I served in the Army for 4 years as a transportation specialist. Afterwards, I worked in logging before moving to Spokane and working in a union sheet metal shop where I became part owner after 28 years of employment. Six years later I sold my share in the company and went to work for another union shop working until I retired.

Clint Price – Board of Directors (Incumbent)

I was born and raised in Spokane and have been a PSCU member for 38 years. I'm currently an administrator for Spokane Public Schools. I received my BA, Masters, and Principals Certifications from Eastern Washington University. I'm married and have three children, (who all have accounts at PSCU). It has been an honor serving the members of PSCU for the past fifteen years on the Board of Directors. I have contributed my skills in problem solving, team building, customer service and sound budgetary practices. I look forward to continuing my service to the members of PSCU. Thank You.

Sue Gordon – Supervisory Committee (Incumbent)

Hello again. Thank you for electing me to the Supervisory Committee. As many of you know I worked at Sears from 1968 to 2005 which was my only job. I was on the Spokane Sears FCU Board for many years. For fun I still go walking and stay busy driving my 1968 Chevy pickup to car shows, and going to Gonzaga basketball games is another fun thing I do. I still donate crocheted Prayer Shawls to Hospice House and make lots of fun items too.
